

RICHARD M. CARPIANO
University of California, Riverside
School of Public Policy
900 University Avenue
Riverside, California 92521 USA
(951) 827-5405
richard.carpiano@ucr.edu

PROFESSIONAL EXPERIENCE

2021- Professor of Public Policy, University of California, Riverside (UCR)

2017-2021 Professor of Public Policy and Sociology, UCR

2015-2018 Professor, Department of Sociology, University of British Columbia (UBC), Vancouver, British Columbia

2011-2015 Associate Professor, Department of Sociology, UBC

2006-2011 Assistant Professor, Department of Sociology, UBC

2004-2006 Robert Wood Johnson Foundation Health & Society Scholar, Univ. of Wisconsin-Madison

Other Affiliations

2022- Associate Faculty Member, Department of Sociology, UCR

2017-2019 Affiliate, Center for Healthy Communities, School of Medicine, UCR

2015-2017 Affiliated Investigator, Vancouver Coastal Health Research Institute, Vancouver, BC

2009-2018 Associate Member, School of Population and Public Health, UBC

2008-2018 Faculty Associate, Peter Wall Institute for Advanced Studies, UBC

2006-2018 Faculty Affiliate, Human Early Learning Partnership (HELP), UBC

ACADEMIC BACKGROUND

2004 **Ph.D., Sociomedical Sciences, Columbia University, New York, NY**
Social Science Concentration in Sociology
Dissertation Title: The Forms of Social Capital: A Sociomedical Science Investigation of Neighborhood Social Capital as a Health Determinant Using a Bourdieu Framework
Advisor: Bruce G. Link

2003 **M.Phil., Sociomedical Sciences, Columbia University, New York, NY**

2001 **M.P.H., Concentration in Health Promotion and Disease Prevention, Case Western Reserve University, Cleveland, Ohio**
Master's Paper Title: Tools, Teamwork, and Tenacity: An Investigation of the Influences of Family Practice Office System Characteristics on the Delivery of Preventive Health Services. *Advisor:* Susan A. Flocke

1998 **M.A., Sociology, Baylor University, Waco, Texas**
Thesis Title: Three Steps Forward, Two Steps Back: Personal Health Perceptions and Needs of Female Domestic Violence Victims and Their Access and Utilization of Health Services. *Advisor:* Diana Kendall

1997 **B.A., Sociology, Baylor University, Waco, Texas**

Date of Preparation: March 19, 2023

RESEARCH INTERESTS

Population Health	Health Inequalities
Vaccination Uptake, Hesitancy, and Policy	Social Capital and Social Connectedness
Community Environments and Well-Being	COVID-19 and Pandemic Response

HONORS, AWARDS, & FELLOWSHIPS

2015	Killam Faculty Research Fellowship (C\$18,000)
2014	Killam Faculty Research Prize in recognition for “outstanding research and scholarly contributions,” University of British Columbia (C\$5,000)
2013-2015	Elected Chair, Society & Mental Health Division, Society for the Study of Social Problems
2009	Undergraduate Research Opportunities (URO) Mentorship Award for persons who have exhibited “outstanding qualities in mentoring and supporting undergraduate research,” UBC
2008	Early Career Scholar and Faculty Associate, Peter Wall Institute for Advanced Studies, UBC (C\$6,000)
2004	Nominated for the Marisa De Castro Benton Dissertation Award, Columbia University
2003	Eugene Litwak Award (“...for excellence in the preparation of a dissertation research proposal”), Department of Sociomedical Sciences, Columbia University
2003	Advanced Doctoral Student Funding, Columbia University Department of Sociomedical Sciences (US\$3,000)
2002	2 nd Prize, Goldmann Student Paper Award, Public Health Association of New York City
2001-2002	Graduate Research Assistantship, Department of Sociomedical Sciences, Mailman School of Public Health, Columbia University
2000	Phi Beta Kappa Student Research Grant, Case Western Reserve University (US\$900)
1998-2000	US National Institute of Aging Predoctoral Training Fellowship in Health and Aging, Department of Sociology, Case Western Reserve University

FUNDED GRANT/CONTRACT ACTIVITY (underlined names indicate student/trainee collaborators)

<i>External</i>	
2022-2023	Collective Intelligence for Pandemic Prediction Prevention and Response Co-Principal Investigator with Eliah Aronoff-Spencer (PI) and Co-PIs Mark S. Handcock, Mohsen Malekinejad, and Anita Raj National Science Foundation (US\$1,000,000; \$49,875, Co-PI portion)
2018-2023	The Impact of Socioeconomic Status on Vaccine Uptake (Co-investigator, Research Arm leader: Vibeke Tornhøj Christensen) Arm of project grant: The Socioeconomic Impact of Research-Based Innovations—Implementation and Long-Term Consequences of Population-based Childhood Vaccine Programs (PI: Torbin Traes) Novo Nordisk Foundation, Denmark (Total: US\$1,514,563.59; Co-I portion: US\$83,523)

- 2019-2020 A Prospective Analysis of Mandated Documentation: A Structural Intervention to Increase Vaccination among Schoolchildren in British Columbia (follow-up study)
Co-Investigator with Julie Bettinger (PI)
British Columbia Immunization Committee (C\$25,006; C\$42,151 Total)
- 2018-2021 Developing Topical Fluoride Hesitancy Measures for Causal Modeling and Intervention Research (R01 DE026741-04)
Co-Investigator; Principal Investigator: Donald Chi
US National Institute of Dental and Craniofacial Research (US\$362,941)
- 2016-2019 A Prospective Analysis of Mandated Documentation: A Structural Intervention to Increase Vaccination among Schoolchildren in British Columbia
Co-Investigator with Julie Bettinger (PI)
British Columbia Immunization Committee (C\$55,766.03)
- 2015-2016 Identifying the Determinants of Parental Knowledge, Attitudes, and Behaviors towards Child Vaccines
Principal Investigator for Research Contract
Public Health Agency of Canada (C\$16,406.25)
- 2013-2018 Neighborhood Social Capital and Oral Health for Publicly-Insured Adolescents
Project Consultant
William T. Grant Foundation Scholar Fellowship for Donald Chi (University of Washington); no support
- 2012-2017 Multi-Level Understanding of Social Contributors to SES Disparities in Asthma
Co-Investigator with Edith Chen (PI)
US National Heart, Lung, and Blood Institute (NHLBI R01 HL108723)
(US\$284,433 annually)
- 2010-2015 New Investigator Salary Award
Canadian Institutes of Health Research (C\$300,000)
- 2009 Participatory Photo-Mapping Research Network Development
Collaborator with David Brown (Project Leader), Samuel F. Dennis, Jr., Suzanne Gaulocher, and Karen Urbanoski
British Columbia Child and Youth Health Research Network (C\$4,880)
- 2008-2011 Neighborhood-based Social Capital and Human Development in British Columbia
Principal Investigator
Social Sciences and Humanities Research Council of Canada (C\$111,500)
- 2007-2013 Career Investigator Award
Michael Smith Foundation for Health Research (C\$480,000)
- 2007-2010 Establishment Grant for Career Investigator Award project “Neighborhood Social Capital and Adult Health: Exploring Community Resources and Access”
Principal Investigator
Michael Smith Foundation for Health Research (C\$74,900)
- 2006-2007 The Impact of American Indian Gaming on American Indian Poverty, Health and Risk Taking Behaviors
Co-Investigator Year 1; Consultant Year 2 with Barbara Wolfe and Robert Haveman (Co-PIs)
Robert Wood Johnson Foundation (US\$249,975)

Internal

- 2022-2023 Addressing Health Disparities in COVID-19 Outcomes in Riverside County
Co-PI with Meera Nair and Erica Heinrich
UCR OASIS-IFA (Opportunities to Advance Sustainability, Innovation, and Social Inclusion-Internal Funding Awards) (US\$200,000; Co-PI portion: US\$42,000)
- 2/2020-6/2021 The contribution of hearing loss to age-related cognitive decline in the Inland Empire
Co-Investigator; Principal Investigator: Khaleel Razak
UCR Center for Health Disparities Research (HDR@UCR) (US\$2500)
- 2015 Visiting Speaker Funding
Principal Applicant
University of British Columbia Faculty of Arts (C\$1,870)
- 2010 Neighboring Behavior in Canada: Undergraduate Internship in Quantitative Social Research
Arts Undergraduate Research Award (AURA) Training Grant
Principal Investigator
University of British Columbia Faculty of Arts (C\$3,000)
- 2010-2013 Population Health: Exploring the Intersections of Theory and Method for Improving Research, Policy and Practice
Principal Applicant
Green College (UBC) Interdisciplinary Lecture Series Funding (C\$3000 plus matching funds secured from several departments/programs throughout campus)
- 2008-2009 Neighborhood-based Social Capital and Human Development in British Columbia
Principal Investigator
Human Early Learning Partnership (HELP) Seed Grant (C\$29,850)
- 2005-2006 Youth Mapping for Healthy Neighborhoods Initiative
Co-Investigator with Samuel F. Dennis, Jr. (PI)
Robert Wood Johnson Health & Society Scholars Program at the University of Wisconsin-Madison (US\$12,895)
- 2004-2006 Exploring Resources for Residential Health and Well-Being among Two Contrasting African American Milwaukee Neighborhoods
Principal Investigator
Robert Wood Johnson Health & Society Scholars Program at the University of Wisconsin-Madison (US\$13,599)

Moore, Spencer & **Carpiano, Richard M.** (co-editors) (2020). Special Issue on “Social Capital and Health,” *Social Science & Medicine*. Introduction and Concluding Commentaries listed under “Publications in Peer-Reviewed Journals.”

INVITED PRESENTATIONS SINCE 2008 (student/trainee co-authors underlined)

Invited Presentations in 2022 declined:

- San Diego Association of Governments annual meeting, San Diego, CA (keynote address and second presentation on Principled Negotiation)

Carpiano, Richard M. (2022). Towards improving the promotion of vaccine confidence and uptake. Invited presentation for the California Immunization Coalition annual (virtual) meeting.

Carpiano, Richard M. (2022). Evolving challenges to vaccine uptake and potential steps to address them. Invited presentation for American Association of Immunologists annual meeting, Portland, OR.

Carpiano, Richard M. (2022). Panelist for invited session on “Pandemics, preprints, experts, and you: How to sort evidence in a Twitterized world.” Association of Health Care Journalists annual meeting, Austin, TX.

Invited 2020 presentations cancelled due to COVID-19 pandemic:

- San Diego Association of Government annual meeting, San Diego, CA (keynote address and presentation on principled negotiation)
- California Immunization Coalition annual meeting, Sacramento, CA
- American Association of Immunologists annual meeting, Honolulu, HI (panel on addressing vaccine hesitancy)
- Invited panel session on Fundamental Cause Theory, American Sociological Association annual meeting, San Francisco, CA

Carpiano, Richard M. (2020). Vaccine legislation & anti-vaccine activism: Lessons for policymakers. Invited panel speaker for session on “Manufacturing Policies to Improve Vaccination: Are Mandates the Way Forward?” Annual meeting of the Interdisciplinary Association for Population Health Science (held virtually).

Carpiano, Richard M. (2020). The community & the political: Public health research and practice challenges of the anti-vaccine activist movement. Invited Alumni Keynote Presentation for 20th Anniversary of Case Western Reserve University Master of Public Health Program, Case Western Reserve University, Cleveland, OH.

Carpiano, Richard M., Greyson, Devon, & Bettinger, Julie A. (2019). Public attitudes towards child vaccination policy levers: Testing competing explanations among a sample of British Columbians. Invited Presentation for Population Seminar at University of California, Irvine, Irvine, CA.

Carpiano, Richard M., Greyson, Devon, & Bettinger, Julie A. (2018). Public attitudes towards child vaccination policy levers: Testing competing explanations among a sample of British Columbians. Invited Presentation for Population Health Colloquium at Rutgers University-Camden, Camden, NJ.

Carpiano, Richard M., Greyson, Devon, & Bettinger, Julie A. (2018). Public Attitudes towards Child Vaccination Policy Levers: Testing Competing Explanations among a Sample of British Columbians. Invited Panel on “Vaccines, Protection and Challenges: Optimizing Disease Prevention,” annual meeting of the Law and Society Association, Toronto, ON.

Carpiano, Richard M. (2016). Public conceptions of child undervaccination: A randomized experiment on evaluations, stigma, and support for policies. University of Miami Social Science and Medicine Speaker Series, Coral Gables, FL.

Carpiano, Richard M. (2015). What should be (re)new(ed) in studies of health and place? Invited Panel Talk on “What’s New in Studies of Place and Health?” Interdisciplinary Association for Population Health Science Conference on “Building Bridges to Improve Population Health,” Washington, DC.

- Carpiano, Richard M. (2013). A network perspective of social capital and health: Theoretical and methodological considerations for a multi-level approach. **Keynote talk** presented at the 2013 International Conference on Social Stratification and Health, Tokyo, Japan.
- Carpiano, Richard M. & Fitterer, Lisa M. (2013). Personal trust in health research: What aspects of personal network social capital does it measure? Presented at the 2013 International Conference on Social Stratification and Health, Tokyo, Japan.
- Carpiano, Richard M. (2013). Imagining the “social”: What it is and what it does (at least to a sociologist like me). Presented at the Montreal Health Equity Research Consortium (MHERC) Workshop on “Interdisciplinary Perspectives in Social Determinants of Health Research,” McGill University, Montreal, QC.
- Carpiano, Richard M. (2012). The state of community health effects research: Theoretically speaking. Presented at a session on “Advancing Knowledge of the Health Impacts of Community Environments,” Robert Wood Johnson Foundation Health & Society Scholars Program Annual Meeting, Princeton, NJ.
- Carpiano, Richard M. (2011). Measuring urban and rural contexts: Applying an econometric approach to assessing community life across British Columbia. Presented at the Human Early Learning Partnership’s November Research Retreat, Vancouver, BC.
- Carpiano, Richard M. (2009). Actual or potential neighborhood resources and access to them: Testing hypotheses of social capital for the health of female caregivers. Presented at the Developmental Neurogenomic Seminar Series, University of British Columbia, Vancouver, BC.
- Carpiano, Richard M. (2009). Where will that road take me? A personal reflection on multidisciplinary scholarship. Keynote Address for the 2009 Multidisciplinary Undergraduate Research Conference (MURC), University of British Columbia, Vancouver, BC.
- Carpiano, Richard M. (2008). Social class and health: Future directions for the fundamental cause explanation. Invited presentation for the January 2008 meeting of the Program on “Successful Societies” of the Canadian Institute for Advanced Research (CIFAR). Vancouver, BC.
- Carpiano, Richard M. (2008). Social capital and health. Invited presentation to the Complex Systems Modeling Group at the Interdisciplinary Research in the Mathematical and Computational Sciences (IRMACS) Centre, Simon Fraser University, Burnaby, BC.
- *Note:** 8 invited presentations prior to 2008

ACADEMIC CONFERENCE PRESENTATIONS SINCE 2008 (underlined names indicate trainees)

- Freedman, Daniel, Conecker, Gabi, Hecker, JayEtta, Carpiano, Richard M., Sosa, Tina, & Berg, Anne (2022). COVID-19 experiences in the developmental and epileptic encephalopathy community. Poster presented at the annual meeting of the American Epilepsy Society (AES), Nashville, TN.
- Carpiano, Richard M., Polonijo, Andrea N., Gilbert, Nicolas, Dubuc, Martine, Cantin, Lyne, & Dube, Eve. (2017). Socioeconomic status differences in parental vaccination attitudes and child vaccinations: Findings from the 2013 Childhood National Immunization Coverage Survey. Presented at the annual meeting of the Interdisciplinary Association for Population Health Science, Austin, TX.
- Stillwagon, Ryan, Carpiano, Richard M., Kelly, Brian C., Michaels, Stuart, & Schneider, John. (2017). Network norms, social capital, and health behaviors: Contextualizing HIV Risk among young black men who have sex with men (YBMSM). Poster presented at the annual meeting of the Interdisciplinary Association for Population Health Science, Austin, TX.

Story, William T. & Carpiano, Richard M. (2016). Household social capital and child undernutrition in India: Operationalizing bonding and bridging social ties. Poster presentation at the annual meeting of the Population Association of America, Washington, DC.

Pan, Stephen, Zhang, Zheng, Li, Dongliang, Carpiano, Richard M., Schechter, Martin T., Spittal, Patricia M., & Ruan, Yuhua. (2015). Religion and homonegativity among men who have sex with men (MSM) in North China: Implications for HIV vulnerability and psychological distress. Presented at the annual meeting of the American Public Health Association, Chicago, IL.

Pan, Stephen, Zhang, Zheng, Li, Dongliang, Carpiano, Richard M., Schechter, Martin T., Spittal, Patricia M., & Ruan, Yuhua. (2015). Ethnicity, ethnic identity affirmation, and language proficiency among men who have sex with men in North China: Implications for HIV vulnerability and psychological distress. Presented as a poster presentation at the annual meeting of the American Public Health Association, Chicago, IL.

Polonijo, Andrea N. & Carpiano, Richard M. (2015). Do school mandates mitigate social inequalities in human papillomavirus (HPV) vaccination? A fundamental cause approach to testing the health impacts of policy. Presented at the annual meeting of the Society for the Study of Social Problems, Chicago, IL.

Story, William T. & Carpiano, Richard M. (2015). Household social capital and child undernutrition in India: Operationalizing Bonding and Bridging Social Ties. Poster presentation at the annual meeting of the Consortium of Universities for Global Health, Boston, MA.

Rogers, Eamonn, Polonijo, Andrea, & Carpiano, Richard M. (2014). Getting by with a little help from my friends (and colleagues): Testing the roles of social support and loneliness for burnout among medical residents. Presented at the Department Continuing Medical Education Rounds, Providence Health Care Department of Family and Community Medicine, Vancouver, BC.

NB: Dr. Rogers, a UBC Department of Family Practice Resident, was invited to speak at this event because this research paper that he developed and for which I served as the research mentor was selected for the 2014 Providence Health Care Resident Research Award.

Rogers, Eamonn, Polonijo, Andrea, & Carpiano, Richard M. (2014). Getting by with a little help from my friends (and colleagues): Testing the roles of social support and loneliness for burnout among medical residents. Presented at the UBC Faculty of Medicine Resident Research Day, Vancouver, BC.

Rugel, Emily & Carpiano, Richard M. (2014). The roles for social support in ensuring adequate daily fruit and vegetable consumption among older adult Canadians. Presented at the annual meeting of the American Public Health Association, New Orleans, LA.

Polonijo, Andrea, Carpiano, Richard M., Reiter, Paul L., & Brewer, Noel T. (2014). Socioeconomic and racial-ethnic disparities in altruistic attitudes toward health interventions: The case of human papillomavirus vaccination for adolescent boys. Presented at the annual meeting of the American Sociological Association, San Francisco, CA.

Polonijo, Andrea & Carpiano, Richard M. (2012). Social inequalities in human papillomavirus (HPV) vaccination: A test of "fundamental cause" Theory. Presented at the biannual meeting of the Canadian Society for the Sociology of Health, Ottawa, ON.

Easterbrook, Adam, Carpiano, Richard M., Kelly, Brian C., & Parsons, Jeffrey. (2012). The personal experience of community among urban gay men, lesbians, and bisexuals: Melting pot or mosaic? Presented at the annual meeting of the American Sociological Association, Denver, CO.

- Polonijo, Andrea & Carpiano, Richard M. (2012). Social inequalities in HPV Vaccination: A test of “fundamental cause” theory. Presented at the annual meeting of the American Sociological Association, Denver, CO.
- Pan, Stephen & Carpiano, Richard M. (2012). Immigrant density, sense of community belonging, and suicidal ideation among white and racial minority immigrants in Canada. Presented at the annual meeting of the Canadian Public Health Association, Edmonton, AB.
- Kelly, Brian C., Carpiano, Richard M., Easterbrook, Adam, & Parsons, Jeffrey T. (2012). Sex and the community: Examining the implications of neighborhood and social networks for sexual risk behaviors among urban gay men. Poster presented at the annual meeting of the Robert Wood Johnson Foundation Health & Society Scholars Program, Princeton, NJ.
- Lloyd, Jennifer E.V., Obradović, Jelena, Carpiano, Richard M., & Motti-Stefanidi, Frosso. (2012). Multiple imputation of missing multilevel, longitudinal data: A case when practical considerations trump “best practises?” Presented at the annual meeting of the American Educational Research Association, Vancouver, BC.
- Carpiano, Richard M. (2012). Neighborhood social capital: An econometric approach for population health research. Green College Population Health Lecture Series, University of British Columbia, Vancouver, BC.
- Kelly, Brian C., Carpiano, Richard M., Easterbrook, Adam, & Parsons, Jeffrey T. (2011). Sex and the community: Examining the implications of neighborhood and social networks for sexual risk behaviors among urban gay men. Poster presented at the 10th International AIDS Impact Conference, Santa Fe, NM.
- Kelly, Brian C., Carpiano, Richard M., Easterbrook, Adam, & Parsons, Jeffrey T. (2011). Sex and the community: Examining the implications of neighborhood and social networks for sexual risk behaviors among urban gay men. Presented at the annual meeting of the American Sociological Association, Las Vegas, NV.
- Kelly, Brian C., Carpiano, Richard M., Easterbrook, Adam, & Parsons, Jeffrey. (2011). The (gay) community question: Neighborhood and personal network correlates of perceived community among urban gay men. Presented at the annual meeting of the American Sociological Association, Las Vegas, NV.
- Chi, Donald & Carpiano, Richard M. (2011). Neighborhood-level social capital and adult dental care use: A multilevel analysis. Poster presentation at the AcademyHealth Annual Research Meeting, Seattle, WA.
- Black, Jennifer, Carpiano, Richard M., Lauster, Nathaniel, & Fleming, Stuart. (2011). Food store availability in British Columbia: Examining associations with area socio-demographic factors and urban form. Presented at the annual meeting of the American Association of Geographers, Seattle, WA.
- Kelly, Brian C., Carpiano, Richard M., Easterbrook, Adam, & Parsons, Jeffrey. (2010). The (gay) community question: Neighborhood and personal network correlates of perceived community among urban gay men. Presented at the annual meeting of the Society for the Study of Social Problems, Atlanta, GA.
- Carpiano, Richard M., Kelly, Brian C., Easterbrook, Adam, & Parsons, Jeffrey. (2009). Community, homophily, and drug use among urban gay men: Neighborhoods and networks. Presented at the annual meeting of the American Sociological Association, San Francisco, CA.

- Carpiano, Richard M., Brown, David, & Saewyc, Elizabeth. (2008). Push and pull factors: Evidence for distinct populations of street-involved youth in British Columbia. Presented at the 7th Annual International Conference on Urban Health, Vancouver, BC.
- Carpiano, Richard M., Kelly, Brian C., Easterbrook, Adam, Bimbi, David, & Parsons, Jeffrey. (2008). Neighborhoods and networks: Community, homophily, and drug use among urban gay men. Presented at the 7th Annual International Conference on Urban Health, Vancouver, BC.
- Kuppin, Sara A., & Carpiano, Richard M., & Holden, Elliot. (2008). Public Conceptions of Serious Mental Illness, Its Causes and Treatments: New Findings from the 2006 US General Social Survey. Presented at the annual meeting of the American Public Health Association, San Diego, CA.
- Carpiano, Richard M. (2008). Come take a walk with me: The “go-along” interview as a novel method for studying the implications of place for health and well-being. Presented at the annual meeting of the American Sociological Association, Boston, MA.
- Weden, Margaret M., Carpiano, Richard M., & Robert, Stephanie A. (2008). Subjective and objective neighborhood characteristics and adult health. Presented at the annual meeting of the Population Association of America, New Orleans, LA.

RESEARCH EXPERIENCE

- | | |
|-----------|---|
| 9/02-8/04 | <i>Research Assistant</i> , Columbia University Health & Society Scholars Program
-Supervised by Bruce Link, Department of Epidemiology |
| 6/02-9/02 | <i>Research Assistant</i> , Columbia University Department of Medicine
-Supervised by Ana Diez-Roux |
| 1/02-1/03 | <i>Research Assistant</i> , Columbia University Department of Epidemiology
-Supervised by Bruce Link |
| 9/01-6/02 | <i>Research Assistant</i> , Columbia University Department of Sociomedical Sciences
-Supervised by Denise Kandel |
| 2/01-8/01 | <i>Statistics and Methodology Consultant for Residents and Faculty</i> , St. Vincent's Charity Hospital (Cleveland, Ohio), Department of Medicine |
| 5/00-8/01 | <i>Research Assistant</i> , Case Western Reserve University Department of Family Medicine
-Supervised by Susan Flocke and Kurt Stange |
| 5/99-8/00 | <i>Research Assistant</i> , Case Western Reserve University Elderly Care Research Center
-Supervised by Eva Kahana |
| 8/98-6/99 | <i>Research Assistant</i> , Case Western Reserve University, Department of Sociology
-Supervised by Richard Settersten and Susan Hinze |
| 5/98-8/98 | <i>Research Assistant</i> , Baylor University Department of Sociology & Anthropology
-Supervised by Homer Garcia |
| 8/97-5/98 | <i>Research Assistant</i> , Baylor University Department of Sociology & Anthropology
-Supervised by Lawrence Felice |

1996-1998 Telephone Interviewer and Focus Group Moderator, Baylor University Center for Community Research & Development

AREAS OF TEACHING INTEREST AND COMPETENCE

Health & Illness:	Other Substantive Areas:	Research Methods:
Public Health	Public Policy Ethics	Social Statistics
Public Health Policy	Social Capital	Research Design
Population Health	Classical Sociological Theory	Survey Design
Social Determinants of Health	Contemporary Sociological Theory	Measurement
Sociology of Health & Illness	Community Sociology	Epidemiological Methods
Sociology of Mental Health	Urban Sociology	

TEACHING EXPERIENCE

Undergraduate Courses Taught

University of California, Riverside

- Ethics and Professionalism in Public Policy (second year course; approximately 60 students/term)
- Introduction to Public Health (lower-level course, ~260 students)
- Introduction to Public Health (upper-level course; 75 students; restructured to be a lower-level, campus-wide “general education” curriculum course noted above)
- Medical Sociology (upper-level course; approximately 150-225 students/term)

University of British Columbia

- Social Determinants of Health (fourth year course; 22-28 students/term)
- Sociology of Health & Illness (fourth year course; 20-30 undergraduate and graduate students/term)
- Social Statistics (third year course; 65 students)
- Sociological Theory: Classical Approaches (fourth year course; approximately 75 students/term)

Graduate Courses Taught

University of California, Riverside

- Ethics and Professionalism in Public Policy (seminar; 30-35 students/term)
- Medical Sociology (seminar; 9-11 students/term)
- Sociology Research Practicum (seminar; 14 students)

University of British Columbia

- Sociology of Health & Illness (seminar; 6-8 students/term)
- Advanced Methods Seminar in Research Design & Applied Quantitative Data Analysis (10 students)
- Directed Study Course on “Social Determinants of Health” (offered twice)
- Directed Study Course on “Social Capital and Health” (offered twice)

Invited Course Lectures

2012	“How Do Neighbors Matter for Health? Exploring the Role of Social Capital.” Social Determinants of Health Seminar Course, School of Population and Public Health, University of British Columbia, Vancouver, BC.
2008	“How Do Your Neighbors Matter for Your Health? Exploring the Role of Social Capital,” Undergraduate Student Directed Seminar on “Urban Poverty,” University of British Columbia, Vancouver, BC.
2006 & 2007	“Socioeconomic Conditions and Health Disparities,” University of Wisconsin Medical School, Madison, WI

2006 "Socioeconomic Conditions and Health Disparities" for Wisconsin Area Health Education Center Community Health Intern Program, University of Wisconsin, Madison, WI

Other Lectures and Instruction

2009 Co-Organizer and Instructor (with David Brown, Samuel F. Dennis, Suzanne Gaulocher, and Karen Urbanoski), Half-day Seminar on Participatory Photo-Mapping for Public Health Practitioners, University of British Columbia, Vancouver, BC

Other Teaching Experience

Spring 2004 *Course Coordinator*, "Introduction to Sociomedical Sciences" (graduate; 75 students), Columbia University, Department of Sociomedical Sciences

2003-04 AY *Seminar Leader*, "Introduction to Sociomedical Sciences" (graduate; approx. 18 students for each of 2 semesters), Columbia University, Department of Sociomedical Sciences

10/00-7/01 *Graduate-level Statistics Tutor*, Case Western Reserve University School of Medicine

1998-99 AY *Teaching Assistant*, "Introduction to Sociology" (approx. 35 students), Case Western Reserve University, Department of Sociology

1997-98 AY *Lab Instructor*, "Social Statistics" (undergraduate, approx. 25 students for each of 2 semesters), Baylor University, Department of Sociology and Anthropology

MENTORING

Postdoctoral & Visiting Trainees

2019-2021 Bridgette Blebu, UCR Chancellor's Postdoctoral Fellow (applicant declined)
 2013-2014 Eamonn Rogers, UBC Family Medicine Resident (Role: Research Project Supervisor)
 2012 (Fall) Vibeke T. Christensen, Visiting Postdoctoral Fellow (Role: Mentor)
 2008-2009 Jennifer Black, Sociology Postdoctoral Fellow (Role: Co-Supervisor)

Ph.D. Trainees

Supervisor

2019-2021 Shayna La Scala, Sociology, University of California, Riverside (co-advisor, Rengin Firat)
 2017- Elizabeth Bogumil, Sociology, University of California, Riverside
 2010-2018 Andrea Polonijo, Sociology, University of British Columbia

Committee Member

2019-2021 Lacey Satcher, Sociology, Vanderbilt University
 NB: Winner of 2022 American Sociological Association Best Dissertation Award
 2019- Colin Bernatzky, Sociology, University of California, Irvine
 2018-2020 Michaela Curran, Sociology, University of California, Riverside
 2018-2021 Kaitlyn Jaffe, Sociology, University of British Columbia
 2016-2022 Arwa Gazzaz, Dentistry, University of British Columbia
 2014-2019 Emily Rugel, Population & Public Health, University of British Columbia
 2013-2017 Basia Pakula, Population & Public Health, University of British Columbia
 2013-2014 Alyn Turner McCarty, University of Wisconsin-Madison Department of Sociology
 2011-2013 Adam Easterbrook, Sociology, University of British Columbia
 2011-2016 Stephen Pan, Population & Public Health, University of British Columbia
 2009-2013 Perry Hystad, Population & Public Health, University of British Columbia
 2006-2010 Fabio Cabarcas, Interdisciplinary Studies, University of British Columbia
 2006-2011 Jay Fiddler, Sociology, University of British Columbia

Dissertation Proposal Defense Committee Member

2022 Christian Guerra, Sociology, University of California, Riverside
 2018 Phoenicia Faris, Sociology, University of California, Riverside

Dissertation Examiner

2020 Annahita Ehsen, Social Psychology, University of Lausanne (Dissertation Jury Member)
2012 Hannah Schreier, Psychology, University of British Columbia (University Examiner)

Master's Degree Trainees

MPP Capstone Project Supervisor

2022- Emily Carriere, Laura Saddi, & A'Mari Truby-McKay (co-supervisor with Kevin Esterling)

Thesis Supervisor

2021-2022 Myrna Sastre, Sociology, University of California, Riverside
2021- Mayra Alejandro Mendoza, Public Health, California Baptist University
2020-2021 Shayna La Scala, Sociology, University of California, Riverside
2011-2013 Lorinda Moore, Sociology, University of British Columbia
2010-2012 Lisa Fitterer, Sociology, University of British Columbia

Thesis Committee Member

2019-2020 April Leviton, Sociology, University of California, Riverside
2019-2019 Christian Guerra, Sociology, University of California, Riverside
2017-2018 Juha Lee, Sociology, University of California, Riverside
2010-2011 Patrick Burnett, Sociology, University of British Columbia
2007-2009 Christopher Buse, Sociology, University of British Columbia

Undergraduate Honors Thesis Supervision

2006-2007 Andrea Polonijo, Sociology, University of British Columbia

Other Graduate and Undergraduate Mentoring Activities

2020 Faculty Panelist, "What is Public Health?" Seminar for Undergraduate Students, Health Professions Advising Center, UCR

2019 Faculty Panelist, "What is Public Health?" Seminar for Undergraduate Students, Health Professions Advising Center, UCR

2019 Faculty Panelist, Sociology Graduate Program Professional Development Seminar on "Publishing in Academic Journals"

2016 Faculty Panelist, Sociology Graduate Program Professional Development Seminars on "Professional Networking"

2014-2015 Faculty Organizer, Sociology Graduate Program Professional Development Seminars on:

- "Time Management"
- "Accessing Public Use Data and Using the Research Data Centre"
- "Career/Professional Experiences of Qualitative and Mixed-Methods Researchers"
- "Publishing in Academic Journals"
- "Workshop on Crafting an Effective Vita"
- "Preparing a Teaching Statement and Portfolio"

2013-2014 Faculty Co-Organizer (with UBC Sociology Graduate Students), Professional Development Seminars on:

- "Academic Publishing"
- "Professional 'Soft-Skills'"
- "Time Management"
- "Grants and Grant Writing"

2012-2013 Faculty Co-Organizer (with UBC Sociology Graduate Students), Professional Development Seminars on:

- “Networking Skills”
- “Academic Publishing”
- “Crafting Vitas and Cover Letters”
- “Your First Academic Job: What to Expect in Your First Year”

2012	Faculty Panelist, Graduate Student Professional Development Session on “Publishing in Academic Forums,” UBC Department of Sociology
2010	Faculty Panelist, Undergraduate Information Session on “Careers in Sociology,” UBC Department of Sociology
2008	Faculty Organizer and Panelist, Undergraduate Information Session on “Opportunities for Sociologists in the Health Fields,” UBC Department of Sociology
2008	Faculty Organizer and Panelist, Spring Undergraduate Information Session on “Applying to Graduate School,” UBC Department of Sociology
2007-2010	Faculty Panelist, Undergraduate Fall Information Session on “Applying to Graduate School,” UBC Department of Sociology

PROFESSIONAL SERVICE

Service to National and International Professional Community

2023	Invited Presider, Webinar on “Speaking Science On Social Media,” Interdisciplinary Association for Population Health Science (March 2, 2023).
2022-	Invited Expert Panelist, Informed Population Health Opinions (InPHO), Stanford University
2022-2024	Invited Member, Workgroup for the Public Engagement Award, Interdisciplinary Association for Population Health Science
2022-2023	Invited Member, Public Engagement Advisory Committee (PEAC), American Sociological Association
2021-	Invited Member, California Council on Science and Technology COVID-19 Steering Committee
2021	Invited Member, California Council on Science and Technology, Disaster Resilience Initiative COVID-19 Workshop 1—Exploring California’s COVID-19 Policy Challenges
2020-	Invited Member, <i>The Lancet</i> Commission on Vaccine Refusal, Acceptance, and Demand in the United States
2019-2021	Elected Member, Board of Directors, Interdisciplinary Association for Population Health Science
2018	Member, Editor Search Subcommittee, American Sociological Association
2018	Chair, Ad Hoc Committee for evaluating the feasibility of an association journal, Interdisciplinary Association for Population Health Science
2018	Committee Member, Roberta G. Simmons Dissertation Award Committee, Medical Sociology Section, American Sociological Association
2018	Chair, Howard B. Kaplan Award Committee, Medical Sociology Section, American Sociological Association

Date of Preparation: March 19, 2023

- 2018 Chair, Howard B. Kaplan Award Committee, Medical Sociology Section, American Sociological Association
- 2017-2019 Public Engagement Liaison, Medical Sociology Section, American Sociological Association
- 2017 Chair, Roberta G. Simmons Dissertation Award Committee, American Sociological Association Medical Sociology Section
- 2017-2018 Elected Council Member at Large, American Sociological Association Medical Sociology Section
- 2016 Invited Member, Advisory Group to review the Canadian National Immunization Coverage Survey questions related to knowledge, attitudes, and behaviors
- 2015-2016 Development Committee Member, Interdisciplinary Association for Population Health Science
- 2014 Invited Technical Expert Panel Member, American Health Values Segmentation Study commissioned by the Robert Wood Johnson Foundation and conducted by the North American Opinion Research Corporation (NORC)
- 2013-2015 Elected Chair, Society and Mental Health Division, Society for the Study of Social Problems
- 2013-2014 Committee Member, James R. Greenley Award for Distinguished Contributions to the Sociology of Mental Health, Society and Mental Health Division of the Society for the Study of Social Problems
- 2011-2013 Advisory Board Member, Canadian Society for the Sociology of Health
- 2011-2012 Invited Organizer and Judge, 2012 Graduate Student Paper Award, Mental Health Division of the Society for the Study of Social Problems
- 2011-2013 Elected Member of the Nominations Committee, American Sociological Association Medical Sociology Section.
- 2011-2012 Invited Contributing Faculty Member, Social and Behavioral Determinants of Health "Faculty of 1000" Post-publication peer review website of biomedical research.
- 2010 Judge, "Rising Stars of Research" National Undergraduate Research Poster Competition, University of British Columbia, Vancouver, BC
- 2008 Invited Panelist, Alumni Panel on Professionalization Issues, Annual Meeting of the Robert Wood Johnson Foundation Health & Society Scholars Program, San Antonio, TX
- 2008 Invited Organizer and Judge, 2008 Graduate Student Paper Award, Mental Health Division of the Society for the Study of Social Problems
- 2007 Invited Judge, 2007 Student Paper Award, Mental Health Section of the Society for the Study of Social Problems
- 2007 Invited Panelist, Alumni Panel on Professionalization Issues, Annual Meeting of the Robert Wood Johnson Foundation Health & Society Scholars Program, Chicago, IL

2006 Invited Judge, Young Epidemiology Scholars (YES) national high school student competition, Reston, VA

Journal and Book Series Editorial Experience

2019- Board Member, *Lecture Notes in Economics and Policy* (World Scientific Publishers)

2016-2019 Co-Editor, *Journal of Health and Social Behavior*

2014-2016 Associate Editor, *Journal of Health and Social Behavior*

2014-2016 Associate Editor, *Society and Mental Health*

1999-2003 Editorial Board Chair (1999-2001), Member and Reviewer, *Social Science Paper Publisher*, student-run, international, Internet-based, peer-reviewed journal

Service to University

2021- Member, Campus Search Committee for School of Public Policy Dean, UCR

2020- Member, Planning Committee for a Master of Public Health degree program, UCR

2019- Advisory Committee Member, Health Professions Advisory Center, UCR

2013-2017 Advisory Committee Member, Health & Society Undergraduate Minor Program, UBC

2013 Faculty Mentor for four junior faculty, Dean of Arts Faculty Mentoring Program, UBC

2011-2012 Member, President's Advisory Committee and External Search Committee for Selecting the Sociology Department Head, UBC

2010-2013 Chair, Health & Society Undergraduate Minor Program, UBC

2010-2014 Convenor and Planning Committee Chair, Population Health Interdisciplinary Speaker Series, Green College, UBC

2009 Member, Social and Life Course Stream Development Group, School of Population and Public Health, UBC

2007-2014 Founder and Moderator, UBC campus-wide "Health & Society" e-mail listserv (as of September 2012, over 100 faculty, student, and staff subscribers)

Service to Department/School

2022 Member, Undergraduate Commencement Address Selection Committee, School of Public Policy, UCR

2021 Member, Assistant Professor Faculty Search Committee, School of Public Policy, UCR

2020-2021 Member, Undergraduate Committee, Department of Sociology, UCR

2020- Chair, Executive Committee (and Representative to Faculty Senate Executive Council), School of Public Policy, UCR

2020 Member, Department Colloquium Committee, Department of Sociology, UCR

- 2019-2020 Member, Graduate Committee, Department of Sociology, UCR
- Graduate Admissions Committee
 - Faculty Mentor of Graduate Students Award Committee
 - Outstanding Teaching Assistantship Award Committee
 - Best Graduate Student Paper Award
- 2018-2019 Member, Graduate Committee, Department of Sociology, UCR
- Graduate Admissions Committee
 - Faculty Mentor of Graduate Students Award Committee
 - Outstanding Teaching Assistantship Award Committee
 - Best Graduate Student Paper Award
- 2018, Spring Member, Department Awards Committee, Department of Sociology, UCR
- 2018-2019 Faculty Member, Leadership Committee, School of Public Policy, UCR
- 2018 & 2019 Member, Graduate Admissions Committee, School of Public Policy, UCR
- 2018 Member, Public Policy Undergraduate Scholarship Committee, School of Public Policy, UCR
- 2017 Member, Criminology/Sociology of Law Faculty Search Committee, Department of Sociology, UCR
- 2017 Chair, Social Psychology Faculty Search Committee, Department of Sociology, UCR
- 2013 Member, Sociology Faculty Search Committee, UBC
- 2013-2015 Chair of Graduate Studies, Department of Sociology, UBC
- 2012-2013 Member, Sociology Graduate Studies Curriculum Revision Committee, UBC
- 2009 Member, Sociology Faculty Search Committee, UBC
- 2008-2010 Chair of Graduate Admissions, Sociology Graduate Studies Committee, UBC
- 2008 Member, Health & Society Postdoctoral Fellowship Selection Committee, Department of Sociology, UBC
- 2007-2008 Member, Sociology Graduate Studies Curriculum Committee, UBC
- 2006-2008 Member, Sociology Undergraduate Studies Committee, UBC

PROFESSIONAL MEMBERSHIPS

American Association for the Advancement of Science

American Sociological Association (ASA): Member of the Sections on Medical Sociology, Sociology of Mental Health, Community & Urban Sociology, Methodology, and Sociology of Population

Association for Public Policy and Management

Interdisciplinary Association for Population Health Science

GRANT REVIEWING & REVIEWING PANEL ACTIVITY

Grant Review Committee Activity

- 2013 & 2015 Temporary Review Committee Member, Social Science and Population Studies Panel B, US National Institutes of Health
- 2012-2013 Advisory Committee Member, Health and Social Development Grant Funding Stream, Vancouver Foundation, Vancouver, BC
- 2011 & 2013 Chair, Population Health Postdoctoral Fellowship Evaluation Committee, Michael Smith Foundation for Health Research
- 2011 Scientific Officer, Review Committee for a Programmatic Grant Competition in Health Equity, Canadian Institutes of Health Research
- 2008-2010 Scientific Officer & Review Committee Member, Population Health Evaluation Committee, Career Investigator Award Program, Michael Smith Foundation for Health Research

- “Why are so few people getting vaccinated in the Inland Empire?” by Ryan Hagen and Steve Scauzillo, *Press-Enterprise*, <https://www.pe.com/2021/06/18/why-are-so-few-people-getting-vaccinated-in-the-inland-empire/>
- 6/9/2021 Interviewed by *Yahoo! News* about celebrity-focused promotions for COVID-19 vaccinations.
- “Celebrities are advocating for the COVID-19 vaccine on social media. Is it working?” by Abby Haglage, *Yahoo! News*, <https://ph.news.yahoo.com/celebrities-are-advocating-for-the-covid-19-vaccine-on-social-media-is-it-working-000910462.html>
- 5/25/2021 Interview by the *Orange County Register* regarding the current state of vaccination rollout in California, the US, and globally.
- “COVID-19 vaccine progress impressive, but ‘herd immunity’ a long way off,” by Teri Sforza, *Orange County Register*, <https://www.ocregister.com/2021/05/25/covid-19-vaccine-progress-impressive-but-herd-immunity-a-long-way-off/>
- 5/21/2021 Interviewed by the *Press-Enterprise* regarding the COVID-19 statistics and Opening Tier Status of Riverside and San Bernardino Counties.
- “Here’s why Riverside, San Bernardino counties don’t expect to reach yellow tier before state reopens,” by Ryan Hagen, *Press-Enterprise*, <https://www.pe.com/2021/05/21/heres-why-riverside-san-bernardino-counties-dont-expect-to-reach-yellow-tier-before-state-reopens/>

- 5/21/2021 Interviewed by the *Press-Enterprise* regarding a Temecula Councilperson Jessica Alexander's racist and conspiracy theory-laden public statements about COVID-19.
- "Temecula Councilmember Jessica Alexander defends Rosa Parks, 'China Virus' comments," by Jeff Horseman, *Press-Enterprise*, <https://www.pe.com/2021/05/21/temecula-councilmember-jessica-alexander-defends-rosa-parks-china-virus-comments/>
- 5/21/2021 Interviewed by WCVB Boston (ABC affiliate) regarding racial-ethnic and geographic inequities in COVID-19 vaccinations throughout Massachusetts.
- <https://www.wcvb.com/article/5-investigates-covid-vaccine-disparities-and-macrelli-family-plea-for-everyone-to-get-the-shot/36492479>
- 5/15/2021 Interviewed by *Washington Post* regarding CDC mask recommendations and the role of trust of others that they are vaccinated.
- "The new mask guidance relies on an honor system. Do we trust each other enough to make it work?" by Marisa Iati, *Washington Post*, <https://www.washingtonpost.com/lifestyle/2021/05/15/mask-vaccination-honor-system/>
- 5/13/2021 Interviewed by Johnatan Reiss, Princeton undergraduate, for an undergraduate thesis project regarding Ty and Charlene Bollinger, who are involved in COVID-19 vaccine disinformation and pseudoscience-related health product sales, from which revenue is used for various anti-public health activities. Reiss turned this into a collaboration with an *Associated Press* journalist for this story.
- "Inside one network cashing in on vaccine disinformation," by Michelle R. Smith & Johnatan Reiss, *Associated Press*, <https://apnews.com/article/anti-vaccine-bollinger-coronavirus-disinformation-a7b8e1f33990670563b4c469b462c9bf>
- 5/12/2021 Quoted in an opinion piece in the *Chattanooga Times Free Press* regarding the need for COVID-19 vaccination uptake.
- "Sohn: Please, folks, get your COVID-19 shot as soon as possible," by Pam Sohn, *Chattanooga Times Free Press*, <https://www.timesfreepress.com/news/opinion/times/story/2021/may/11/sohn-please-folks-get-your-covid-19-shot-sopo/546692/>
- 5/8/2021 Interviewed by the *Chattanooga Times Free Press* regarding vaccination levels in Hamilton County, Tennessee.
- "Vaccination rates continue falling in Hamilton County, threatening herd immunity and prolonging COVID-19 pandemic," by Wyatt Massey, *Chattanooga Times Free Press*, <https://www.timesfreepress.com/news/local/story/2021/may/08/covid-vaccination-hamco/546526/>
- 5/6/2021 Quoted in the *Orange County Register* regarding the Orange County School Board mischaracterizing statements by Orange County Public Health Officer Clayton Chau and issuing a resolution against COVID-19 vaccination mandates for children and vaccine passports.
- "OC Board of Education revises untrue statement, deletes reference to county health official," by Roxana Kopetman, *Orange County Register*, <https://www.ocregister.com/2021/05/06/oc-board-of-education-revises-untrue-statement-deletes-reference-to-county-health-official/>

- 5/4/2021 Interviewed by the *Orange County Register* regarding the Orange County School Board mischaracterizing statements by Orange County Public Health Officer Clayton Chau and issuing a resolution against COVID-19 vaccination mandates for children and vaccine passports.
- “Orange County School Board perpetuates false idea about mandatory vaccines for students,” by Roxana Kopetman, *Orange County Register*, <https://www.ocregister.com/2021/05/04/orange-county-school-board-perpetuates-false-idea-about-mandatory-vaccines-for-students/>
- 5/4/2021 Interviewed by the *Orange County Register* regarding racial-ethnic disparities in vaccination rates across Los Angeles, Orange, Riverside, and San Bernardino Counties, how to interpret the statistics, and what steps should be taken.
- “Which ethnic groups are most eager to get vaccinated in Southern California counties?” by Teri Sforza, *Orange County Register*, <https://www.ocregister.com/2021/05/04/which-ethnic-groups-are-most-eager-to-get-vaccinated-in-southern-california-counties/>
- 4/30/2021 Interviewed by the *Orange County Register* regarding global vaccine allocation.
- “More dangerous COVID-19 variants spread as vaccines remains scarce abroad,” by Teri Sforza, *Orange County Register*, <https://www.ocregister.com/2021/04/30/more-dangerous-covid-19-variants-spread-as-vaccines-remains-scarce-abroad/>
- 4/29/2021 Interviewed for print and television segment by CBS News Sacramento about an antivaccine activist group that evolved into a more extremist women’s survivalist group.
- “What started as group of anti-vax moms led by Stockton woman is now ‘Mamalitia,’” by Marissa Perlmann, CBS News Sacramento: <https://sacramento.cbslocal.com/2021/04/29/what-started-as-group-of-anti-vax-moms-is-now-mamalitia/>
- 4/29/2021 Interviewed by the *Sacramento Bee* regarding an antivaccine activist group that evolved into a more extremist women’s survivalist group.
- “This mom protested vaccines, then started a ‘militia.’ How California extremism is changing,” by Hannah Wiley, *Sacramento Bee*, <https://www.sacbee.com/news/politics-government/capitol-alert/article251000429.html>
- 4/25/2021 Interviewed by the *Orange County Register* regarding lessons learned from the COVID-19 pandemic that will be important for public health in the future.
- “Will lessons learned from this pandemic soften the blow during the next one?” by Teri Sforza, *Orange County Register*, <https://www.ocregister.com/2021/04/25/will-lessons-learned-from-this-pandemic-soften-the-blow-during-the-next-one/>
- 4/24/2021 Interviewed by the *Press-Enterprise* regarding vaccination uptake and outreach efforts in the Inland Empire.
- “How Inland counties are trying to get more people vaccinated,” by Ryan Hagen, *Press-Enterprise*, <https://www.sbsun.com/2021/04/23/how-inland-counties-are-trying-to-get-more-people-vaccinated/>

- 4/16/2021 Interviewed by WINK News (Florida) regarding the decision to recommend a pause in the use of the Johnson and Johnson COVID-19 vaccine.
- “Doctor: Pause of J&J vaccine could teach us lessons but hurt vulnerable populations,” by Veronica Marshall and Jackie Winchester, *WINK News*, <https://www.winknews.com/2021/04/15/doctor-pause-of-jj-vaccine-could-teach-us-lessons-but-hurt-vulnerable-populations/>
- 4/16/2021 Interviewed by CapRadio regarding the management of California statewide COVID-19 vaccination efforts and the FDA/CDC decision to recommend a pause in the use of the Johnson and Johnson COVID-19 vaccine.
- “As California expands vaccine eligibility, some counties say supply and scheduling still a problem,” Sammy Caiola, Jefferson Public Radio. <https://www.ijpr.org/health-and-medicine/2021-04-16/as-california-expands-vaccine-eligibility-some-counties-say-supply-and-scheduling-still-a-problem>
- 4/16/2021 Interviewed by the *Los Angeles Times* regarding gender disparities in vaccination.
- “Only 30% of L.A. County men got COVID-19 vaccine, compared to 44% of women. Why the disparity?” by Soumya Karlamangla, *Los Angeles Times*, <https://www.latimes.com/california/story/2021-04-14/low-covid-19-vaccination-rates-among-men>
- 4/15/2021 Interviewed by UCR Media Relations regarding the decision to recommend a pause in the use of the Johnson and Johnson COVID-19 vaccine.
- “UCR experts discuss the J&J vaccine ‘pause,’” by Iqbal Pittalwala, *UCR Media Relations*, <https://news.ucr.edu/articles/2021/04/15/ucr-experts-discuss-jj-vaccine-pause>
- 4/11/2021 Interviewed by the *Orange County Register* about COVID-19 vaccine hesitancy among Evangelical Christians.
- “COVID-19 vaccine hesitancy begins to fade, but stubborn resistance remains among evangelicals,” by Teri Sforza, *Orange County Register*, <https://www.ocregister.com/2021/04/11/covid-19-vaccine-hesitancy-begins-to-fade-but-stubborn-resistance-remains-among-evangelicals/>
- 4/7/2021 Interviewed by the *Orange County Register* regarding California Governor Gavin Newsom’s April 7, 2021 announcement regarding a potential June 15 re-opening.
- “Are we declaring pandemic over too fast? State’s June 15 deadline for reopening splits experts,” David Rosenfeld & Alicia Robinson, *Orange County Register*, <https://www.ocregister.com/2021/04/07/are-we-declaring-pandemic-over-too-fast-states-june-15-deadline-for-reopening-splits-experts/>
- 4/7/2021 Interviewed by the *Orange County Register* regarding California Governor Gavin Newsom’s April 7, 2021 announcement regarding a potential June 15 re-opening.
- “Most of state’s COVID-19 restrictions expected to disappear June 15,” Alicia Robinson, *Orange County Register*, <https://www.dailybulletin.com/2021/04/06/most-of-states-covid-19-restrictions-expected-to-disappear-june-15/>

- 3/26/2021 Interviewed by the Press-Enterprise regarding public health officers in several Southern California counties leaving their positions for various reasons.
- “Southern California’s public health leadership turned over during coronavirus pandemic,” Jeff Horseman, *Press-Enterprise*, <https://www.pe.com/2021/03/26/southern-californias-public-health-leadership-turned-over-during-coronavirus-pandemic/>
- 3/25/2021 Invited by UCR University Communications to provide comments regarding the development of vaccine passports and related policies.
- “This is the dawning of the age of the vaccine passport: UCR experts look at the potential impact of the passports, which are likely to permeate travel, education, and the workplace,” John Warren, Holly Ober, & Iqbal Pittalwala, *UCR University Communications*, <https://news.ucr.edu/articles/2021/03/24/dawning-age-vaccine-passport>
- 3/20/2021 Interviewed by Yahoo! News regarding the potential impacts for US vaccination update from European nations halting the use of AstraZeneca COVID-19 vaccine to investigate possible links to blood clots.
- “Why Europe’s AstraZeneca vaccine fumble could be bad news for the U.S.,” Melissa Rossi, *Yahoo! News*, <https://news.yahoo.com/why-europes-astra-zeneca-vaccine-fumble-could-be-bad-news-for-the-us-090020186.html>
- 3/18/2021 Interviewed by *OC Register* regarding lessons learned from the COVID-19 pandemic.
- “Pandemic provided a crash course in science. What lessons have we learned?” Teri Sforza, *OC Register*. <https://www.ocregister.com/2021/03/18/pandemic-provided-a-crash-course-in-science-what-lessons-have-we-learned/>
- 3/16/2021 Interviewed regarding the anti-vaccine activism movement’s convergence and alignment with anti-government extremist groups during the COVID-19 pandemic.
- “Activists Fueling Concerns About COVID Vaccine Safety,” Christine Lehmann, *WebMD*. <https://www.webmd.com/vaccines/covid-19-vaccine/news/20210316/activists-fueling-concerns-about-covid-vaccine-safety>
- 3/11/2021 Interviewed by *OC Register* regarding Catholic Church statements regarding receipt of the Johnson and Johnson vaccine.
- “Catholic Church’s direction on Johnson & Johnson COVID-19 vaccine raises questions,” Deepa Bharath, *OC Register*. <https://www.dailybulletin.com/2021/03/11/catholic-churchs-direction-on-johnson-johnson-covid-19-vaccine-raises-questions/>
- 3/5/2021 Interviewed by the *Los Angeles Times* regarding racial-ethnic inequities in COVID-19 vaccination.
- “Will steering vaccine to disadvantaged areas stop COVID-19?” Luke Money, Soumya Karlamangla, Melissa Healy, & Rong-Gong Lin II, *Los Angeles Times*. https://www.bakersfield.com/ap/national/california-thinks-it-can-stop-covid-by-flooding-poor-areas-with-vaccine-will-it-work/article_20daa2c0-8744-5a75-b61f-263b25abbf85.html

- 2/26/2021 Interviewed by the *Press-Enterprise* (Riverside, CA) regarding automobile protests as a means to conduct protests during the coronavirus pandemic.
- “Inland Empire political protests hit the road during coronavirus pandemic,” Jeff Horseman, *Press-Enterprise*.
<https://www.pe.com/2021/02/26/inland-empire-political-protests-hit-the-road-during-coronavirus-pandemic/>
- 2/20/2021 Interviewed by the *Los Angeles Times* regarding racial-ethnic inequities in COVID-19 vaccination.
- “Black and Latino residents in L.A. lag behind in COVID-19 vaccines,” Jaclyn Cosgrove, Soumya Karlamangla, Colleen Shalby, Rong-Gong Lin II, *Los Angeles Times*.
<https://www.latimes.com/california/story/2021-02-19/blacks-latinos-covid-19-vaccine-rate-la-county>
- 2/17/2021 Interviewed by UCR News regarding the long-term impact of COVID-19.
- “Experts weigh in on whether COVID-19 is here to stay,” Iqbal Pittalwala, UCR News.
<https://news.ucr.edu/articles/2021/02/17/experts-weigh-whether-covid-19-here-stay>
- 2/10/2021 Interviewed by the *Los Angeles Times* efforts to address racial-ethnic inequities in Vaccination.
- “The frantic race to curb racial inequities in L.A. COVID-19 vaccine distribution,” Ruben Vives, Jaclyn Cosgrove, & Soumya Karlamangla.
<https://www.latimes.com/california/story/2021-02-10/large-racial-gaps-covid-vaccination-distribution>
- 2/10/2021 Interviewed by KCAL 9 CBS Los Angeles for a televised news segment regarding the impacts of Long COVID. <https://losangeles.cbslocal.com/2021/02/09/covid-long-term-health-issues-coronavirus/>
- 2/6/2021 Interviewed by the *Press-Enterprise* regarding the health and social impacts of Long COVID.
- “Months after fighting coronavirus, some now face heart, lung or neurological problems,” Beau Yarbrough & Teri Sforza, *Press-Enterprise*.
<https://www.pe.com/2021/02/06/months-after-fighting-coronavirus-some-now-face-heart-lung-or-neurological-problems/>
- 2/6/2021 Interviewed by the *NY Times* regarding the anti-vaccine movement and their protest at the Dodger Stadium COVID-19 vaccination site.
- “A new front in the anti-vaccine fight emerges in California,” Manny Fernandez, *New York Times*. <https://www.nytimes.com/2021/02/06/us/a-new-front-in-the-anti-vaccine-fight-emerges-in-california.html?smid=tw-share>
- 2/3/2021 Interviewed by UCR News regarding the impact of social media and other non-expert “influencers” in shaping public opinion on COVID-19 vaccination policy.
- “Public health expert says influencers should step back,” Iqbal Pittalwala & John Warren, UCR News. <https://news.ucr.edu/articles/2021/02/03/public-health-expert-says-influencers-should-step-back>

- 2/2/2021 Interviewed by *California Health Report* regarding issues facing equitable access to COVID-19 vaccines for seniors of color.
- “For seniors of color, improving access to vaccine is key,” Nadra Nittle, *California Health Report*. <https://www.calhealthreport.org/2021/02/02/for-seniors-of-color-improving-access-to-vaccine-is-key/>
- 1/31/2021 Interviewed by (New York) *Newsday* about the intersections between anti-vaccine activism and vaccine hesitancy surrounding the COVID-19 vaccines.
- “COVID-19 vaccine skeptics energizing anti-vaccine movement, experts fear,” Craig Schneider, *Newsday*. <https://www.newsday.com/news/health/coronavirus/anti-vaccine-movement-skepticism-1.50135311>
- 1/25/2021 Interviewed by *Kaiser Health News* regarding anti-vaccine activism and disinformation about COVID-19 vaccines.
- “Anti-vaccine activists peddle theories that Covid-19 shots are deadly, undermining vaccination,” Liz Szabo, *Kaiser Health News* (published on CNN website). <https://www.cnn.com/2021/01/25/health/anti-vaccine-theories-undermine-vaccination/index.html>
- 1/24/2021 Interviewed by *Orange County Register* regarding forthcoming vaccines for COVID-19 and their potential.
- “‘On the cusp of great things’: Dozens of other COVID vaccines working their way to public,” Teri Sforza, *Orange County Register*. <https://www.ocregister.com/2021/01/24/on-the-cusp-of-great-things-dozens-of-other-covid-vaccines-working-their-way-to-public/>
- 1/8/2021 Interviewed by *Los Angeles Times* regarding factor contributing to the rise in COVID-19 cases in Riverside County.
- “Riverside County sees COVID-19 cases skyrocket,” Lila Seidman, *Los Angeles Times*. <https://www.latimes.com/california/story/2021-01-08/riverside-county-sees-coronavirus-surge>
- 1/6/2021 Interviewed by *Orange County Register* on the reported lack of uptake of the COVID-19 vaccine by health care workers in Southern California.
- “Some health care workers snub COVID vaccines in campaign’s sluggish start,” Teri Sforza, *Orange County Register*. <https://www.ocregister.com/2021/01/05/some-health-care-workers-snub-covid-vaccines-in-campaigns-sluggish-start/>
- 12/24/2020 Interviewed by the *Los Angeles Times* regarding factors contributing to rising COVID-19 case rates in San Bernardino County, California.
- “Inland Empire, coronavirus hot zone, has leaders battle safety rules,” Ruben Vives, Hayley Smith, Luke Money, & Rong-Gong Lin II, *Los Angeles Times*. <https://www.latimes.com/california/story/2020-12-24/inland-empire-coronavirus-hot-zone-leaders-battle-restrictions>
